ACA TRACK & FIELD 2025-2026 REPORT

ACA Club athletes delivered some outstanding performances in Track & Field competitions during the 2025-26 season.

Attendance by Club members at ACA's regular Wednesday evening Club Nights over the season was very sporadic, however, with upward spikes around secondary schools competitions and Auckland & NZ Championships. At times the low numbers of club athletes were balanced by schools bringing their athletes along to regular club nights, and visiting athletes from other clubs keen to take advantage of the electronic timing we operate at the Wednesday meets. ACA ran 12 Club Nights over the course of the season (five Club Nights being cancelled due to extreme bad weather or low attendance/lack of volunteer helpers).

The Club also held four extremely successful ACA Race Nights (Fast and Furious Under Lights). These race nights are very popular with our club coaches and athletes and there is plenty of interest from around the region and country for these quick-fire competition nights which give athletes the opportunity to gain qualifications for international competitions.

In the 2025-26 Athletics Auckland Track and Field inter-club competition, the **McKinnon Shield**, ACA finished 4th in the Premier Division with 45 points after the 10 rounds of competition, just 5 points short of the third place club (Takapuna). The Shield was won by Lyndale with 77 points. The stand-out McKinnon Shield points-scorer for ACA was **Eden Moyle**, following by **Cole Yeager** and **Zach Nannastad**.

ACA Club athletes also put on a strong showing at the **2026 Auckland Championships** with 35 Club athletes competing. ACA athletes won a total of **9 Golds, 16 Silver and 8 Bronze medals**. **Scott Thomson** won gold in the SM Triple Jump. **Cole Yeager** did the double with golds in both the MU20 100m and MU20 200m, with **George Kennedy** taking the MU20 400m gold medal and backing up Cole with a silver in the MU20 200m. **Noah Lazayres** was gold medalist in the MU20 1500m and took bronze in the MU20 800m, and **Yusuke Chow** won the gold in the MU20 800m and silver in the MU20 1500m. Another multiple medal-winner was **Esme Reid** who took bronze in the WU18 100m and WU18 .

At the **2026 NZ Track & Field Championships** at Waitakere in March, for the first time athletes who met the qualifying standards were required to represent their region rather than their club. **53 ACA athletes** thus competed for Auckland at the NZ Champs and between them won **6 Gold, 6 Silver and 10 Bronze medals**. In addition 14 ACA athletes in the Auckland Team were selected for relays bringing home a further **10 Gold and 6 Silver relay medals**. **Eden Moyle** won 6 medals at the Championships with golds in the WU18 100m, 200m and 400m and WU18 4x100m and 4x400m relays. Eden also won silver in the WU20 Long Jump. **Yusuke Chow** followed up his Auckland Champs win with a gold in the MU20 800m, with **Lisa Hellyer** winning the WU20 800m and sister **Sarah Hellyer** taking gold in the WU20 1500m. **Cole Yeager** was silver medalist in the MU20 100m and took bronze in the MU20 200m as well as earning silver in the MU20 4x100m. **Scarlett Robb**, moving up to SW, won Bronze in the 1500m and **Ethan Mora** was the gold medallist in the MU18 3000m. **Sam Rickerby** won silver in the MU20 3000m Steeplechase.

Six ACA athletes travelled to compete at the **2026 Australian Junior T&F Championships** in Brisbane, with **Eden Moyle** winner of a gold medal in the WU17 400m.

Five ACA athletes were selected to represent Auckland in the Invitational **2026 Millie Sampson WU23 Mile** held at January's McKinnon Shield #7 Meet. **Lisa Hellyer** won in 4:43.00 (breaking Peyton Leigh's 2024 event record), with **Sarah Hellyer** 2nd and **Nina Chalmers** 3rd. Two ACA athletes were selected as Auckland representatives in the **John Walker MU20 Invitational Mile** on the same date**,** with **Ethan Mora** placing second to Waikato's Ronin Dickens.

AGM Minutes & Reports 5th August 2026

Eleven ACA athletes were selected to compete for New Zealand at the **2026 Oceania T&F Championships** in Darwin in May, with four athletes bringing home individual medals: **Ethan Mora** gold in the MU18 3000m, **Caitlyn Marx**, bronze in the SW 1500m, **Eden Moyle** bronze in the WU18 400m (also scoring a gold in the SW 4x100m relay) and **Daequan Su** bronze in the MU18 Long Jump.

Nina Chalmers, Zara Pomfret and Scarlett Robb were all selected to compete for NZ at the **2026 World U20 Championships** in Eugene, Oregon in August 2026.

ACA has sponsored the continued membership of 14 ACA Track & Field athletes who are currently on athletics scholarships in the USA, with their results in US college competitions providing plenty of inspiration for our up-and-coming young Club members.

Thanks to all those ACA athletes who regularly turned up to Athletics Auckland events to support their sport and their Club. Also thanks to the parents, supporters and helpers at Club Nights, and the coaches who train our athletes. The Club is particularly grateful for the dedication of a very small, hard-core group of helpers, and would like to expand that group of volunteers for the upcoming 2026-27 summer season.

ACA Annual General Meeting – 8th August 2026

Treasurer's Report

Financial overview for the 2025/2026 year

Annual General Meeting

For the Year Ended 31 March 2026

I am pleased to present the financial report of Auckland City Athletic Club Incorporated for the financial year ended 31 March 2026.

Financial Performance

During the year, the Club recorded total income of **$79,981**, an increase from **$63,518** in the previous year. This growth was driven primarily by increased grant funding, membership and programme fees, race fees, and recovered travel costs.

Key income sources included:

- Grants received: **$16,500**
- Membership fees: **$11,886**
- Race fees received: **$10,693**
- Junior/X Trail fees: **$8,970**
- Central Hub/Fast Track fees: **$7,243**
- Interest income: **$3,164**

Despite the increase in revenue, the Club recorded a **net deficit of $8,084** for the year compared with a surplus of **$18,951** in 2025.

Expenditure

Total operating expenses increased significantly from **$44,568** to **$88,065**. The primary reason for this increase was the Club's expanded athlete participation and support activities, particularly travel-related costs for road relays.

Major expenditure items included:

- Travel costs: **$48,715**
- Athlete grants: **$7,149**
- Rent and track hire: **$5,784**
- Competition uniforms: **$4,467**
- General expenses: **$5,367**
- Coaching-related expenses: **$4,304** combined across programmes

The substantial increase in travel expenditure reflects the Club's investment in supporting athletes attending competitions and events. While these costs contributed to the year's deficit, they also supported the Club's objectives of athlete development and participation.

AGM Minutes & Reports 5th August 2026

Financial Position

The Club remains in a sound financial position.

As at 31 March 2026:

- Total assets were **$106,465**
- Total liabilities were only **$118**
- Net assets stood at **$106,347**

Cash and term deposits totalled **$93,654**, providing the Club with strong liquidity and financial stability despite the operating deficit recorded during the year.

Inventory on hand was valued at **$12,811**, reflecting stock of club apparel and related items.

Equity

Total equity decreased from **$114,431** to **$106,347**, reflecting the current year's deficit. The Club continues to hold an Athletes Fund of **$10,263**, while retained earnings remain strong at **$104,168**.

Looking Forward

While the Club has reported a deficit this year, the balance sheet demonstrates that the Club remains financially secure with substantial cash reserves and minimal liabilities. Going forward, it will be important to continue balancing athlete support and travel opportunities with careful management of expenditure to ensure long-term financial sustainability.

I would like to thank the committee members, coaches, volunteers, grant providers, sponsors, and members for their support throughout the year and for their contribution to the Club's ongoing success.

Membership Report 2025-2026

As at 31st March 2026, we finished the 2025/26 season with 181 financial members. This is higher than the 175 financial members for the 2024/2025 season - an increase of 6 members.

There were 13 international students which ACA paid their AAI and ANZ membership fees.

There has been an overall increase of 49 memberships in the 20 years plus and the 7-14 year membership categories but a decrease in the 15-19 year membership category.

It is also relevant to note that these membership numbers do not include everyone participating in

our junior programmes, such as the ACA Fast Track Coaching Squad and the ACA Junior Trail Coaching Squad.
